

Directions to St. Michael's

From the North

Take I-295 South to exit 7A (Centredale exit onto Route 44 East). Immediately get into your left lane once off the exit. Take your first left at the red light on to Esmond Street (between the Hess Gas Station and an ice cream parlor). Proceed to second stop sign and take a left onto Farnum Pike (RI 104). Continue on Farnum Pike for approximately 1 mile (past the Smithfield Town Hall and the fire station). St. Michael's is on the left. Enter front parking lot for parking or proceed past the statue of St. Michael and into the rear parking lot which is adjacent to the Parish Hall.

From the South

Take I-295 North to exit 7A (Centredale exit onto Route 44 East). The exit will circle and once off the exit you will pass over 295. Move to the left lane as soon as possible. Take your first left at the red light on to Esmond Street (between the Hess Gas Station and an ice cream parlor). Proceed to second stop sign and take a left onto Farnum Pike (RI 104). Continue on Farnum Pike for approximately 1 mile (past the Smithfield Town Hall and the fire station). St. Michael's is on the left. Enter front parking lot for parking or proceed past the statue of St. Michael and into the rear parking lot which is adjacent to the Parish Hall.

From Smith Street or Mineral Spring Avenue

Go around the Centredale ring road. At the light near the Maytag appliance store, take a right onto Waterman Avenue, RI 104. Proceed down this road approximately 2.4 miles. Waterman Avenue becomes Farnum Pike as you enter Smithfield. You will pass the Smithfield Town Hall and the fire station on the left. St. Michael's is a block further on the left.
